luce parpadea y, cuando el compartimento de carga
completamente cargado, la luz roja permanece
encendida. (Asegúrese de utilizar un cable de carga de 5 V/
cable de carga incluido al comprar los productos).

The figure consists of three separate diagrams arranged horizontally, each showing a different stage of a cell's life cycle:

- Left Diagram:** A cross-section of a cell during mitosis. The nucleus is centrally located and contains a dense network of chromosomes. Two distinct nucleoli are visible at the top of the nucleus.
- Middle Diagram:** A single cell in interphase. It has a large, rounded nucleus containing a prominent, dark nucleolus.
- Right Diagram:** Another single cell in interphase, similar to the middle one, showing a large nucleus with a central nucleolus.
